

## **Associate Pastor**

We are looking to appoint a man to join our staff team to share in the Bible teaching and training ministry amongst our church family and to have oversight of our student work.

*All Saints is an Anglican Evangelical church which is part of the North West Partnership. We are situated right in the heart of Preston, Lancashire and are surrounded by the university.*

*Our desire is to listen to God in His Word, so that by the power of the Spirit we might love Jesus and live for the sake of His glory.*
