

North West Ministry Week 2018

North West Ministry Week is a programme planned for students thinking about whether full-time gospel ministry might be for them. We place each student with a minister in or near Manchester, living and serving with them in the run-up to Easter.

Weekday mornings are spent learning about Christian service. These sessions will be run by the North West Partnership. They will aim to give biblical principles about ministry and service in a practical way and enable students to reflect on these principles.

Afternoons and weekends are spent in the ministry setting. We hope that this week will be significant as you discern whether full-time gospel work is for you.

Typical Classroom Day

10:00 - Arrive

10:05 - Coffee, Feedback and Bible Study

11.00 - Bible Handling

12.00 - Lunch & Leave for churches

Time in churches is spent observing the theory in practice and serving with the church during the important pre-Easter period.

The cost of £40 helps to cover the costs of the week and includes travel, accommodation and food throughout the duration of the week. If cost is a prohibiting factor, please get in touch with the office.

Our Mission:

Nine Thirty Eight was founded in response to Jesus' words in Matthew 9:38, "Ask the Lord of the harvest ... to send out workers into his harvest field." We work in partnership with local churches to help them raise up the next generation of gospel workers by hosting conferences, sharing resources and advertising Ministry Trainee opportunities.

North West Ministry Week 2018

An opportunity to experience church ministry as it really is. Come and spend time with a minister at a key time of the church year, mixing classroom teaching and practical church work. The week is for students or others who are considering gospel ministry in the near future.

North West Ministry Week is organised by local churches in association with:
