

# Youth Minister

**St+ Kea**

We have an exciting programme for growth in our large, evangelical, anglican church in Truro, Cornwall. Four congregations with a vision to see God transforming lives.

We are looking for someone to join our staff team to lead and grow our vibrant youth ministry. We long for the young people in our church family to grow in faith in Christ and be equipped to serve Him, confident to reach out to their peers.

We have a number of different youth groups (for different age teenagers) run by a large teams of capable and experienced volunteers. We are looking for someone to lead these teams, encouraging, training and equipping both existing and new team members.

As part of our development plan for our Truro congregation, we also have a vision to see a Youth Hub established in Truro. Our new Youth Minister will work alongside our Strategic Operations Manager to see this become reality.

We are looking for someone who: is theologically trained, has previous youth work experience and who can train and lead volunteer teams. Successful applicants will have high level communication skills, a good understanding of youth culture and a proven ability to teach and disciple others.

Full Time 25k per annum

Closing date for applications: Saturday 9th December

Interview date: Saturday 13th January
