

# Assistant Minister

Christ Church Balham is a thriving Anglican evangelical church, with a concern for building disciple-making disciples for Jesus Christ. Being located right on the Northern Line in south London we welcome a large number of city workers and young families, but we also have a real heart for reaching out to the lost in our diverse community.

We seek to appoint someone who will assist the senior minister in the:

- preaching and teaching of the Scriptures.
- organisation and leadership of our small groups programme.
- discipleship and training of individuals.
- development of evangelistic strategies to further reach the diverse people of Balham with the good news of Jesus Christ.

This is a full time position, initially for three years, to begin on 1st September 2019. It would be an ideal appointment either for someone with already a few years of ministry experience and perhaps looking for a route to ordination, or for someone who has already been to theological college and looking for a first ministerial post.

Applications are invited for this staff position, accompanied by a CV and personal statement, by **January 28th 2019**. If you would like further details or to see the job description, please get in touch with Andy Palmer ([andy@christchurchbalham.org.uk](mailto:andy@christchurchbalham.org.uk)).
